Summary

I am a Web Developer specializing in front end development. I believe in doing things right the first time and never leave things undone. I demonstrate attention to detail, I'm hardworking, ambitious and dedicated. I'm not easily disturbed and don't lose focus of the task at hand. I can work in a team and on my own, without it influencing my productivity. I easily adapt to change and a firm believer in the value stewardship by leaving things better the way I found it.
